PENNADOMO: Cascata, Placche dell'Oasi e arrampicata.

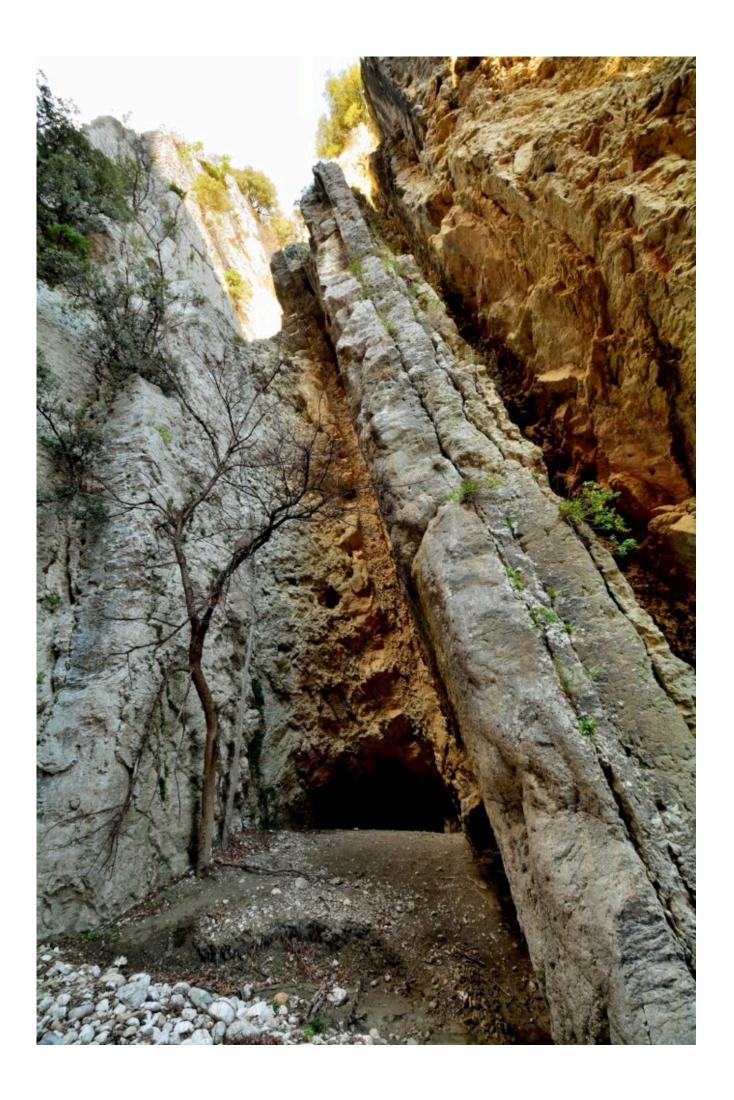

Avevamo scoperto l'incredibile paese di Pennadomo, in Provincia di Chieti, a Novembre del 2023 ma ci ha colpito così tanto che siamo ritornati in 21, tutti appassionati delle bellezze di questo pianeta, ed abbiamo raggiunto prima la forra e la cascata poi siamo saliti alle Placche dell'Oasi quindi ci siamo cimentati in una arrampicata al tiepido sole di inizio primavera.

Infine al ritorno abbiamo fatto una visita anche a Roccascalegna ed al suo castello.

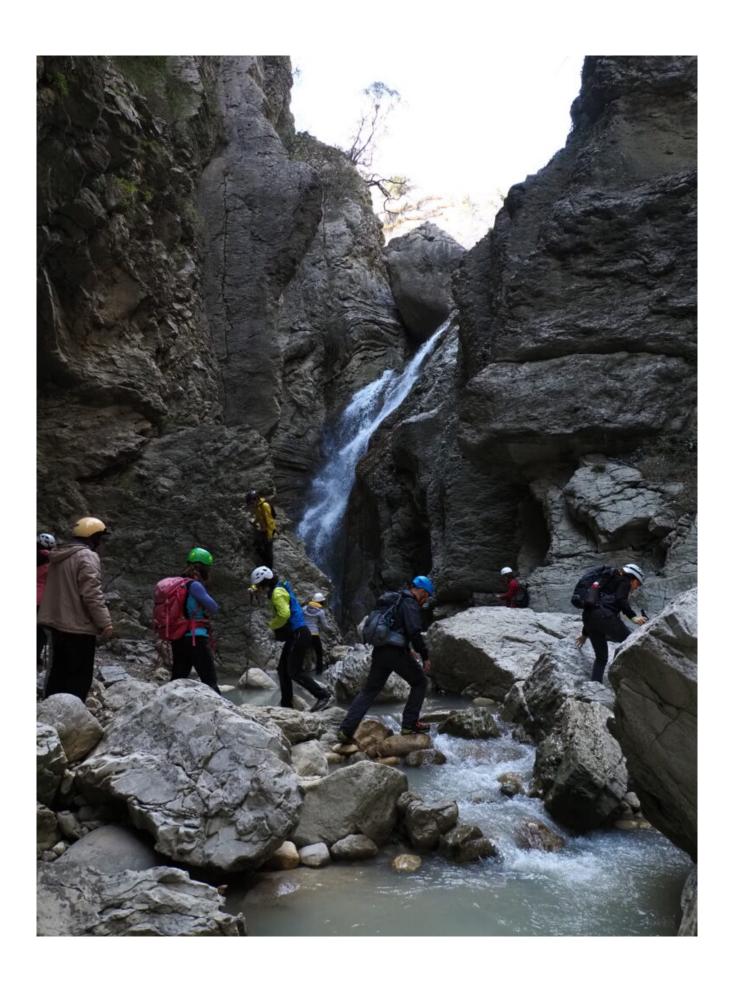

Di seguito le immagini della splendida giornata in compagnia di tanti amici (foto di Elia, Gilberto, Romina).
